REMINDER - TeachNZ Scholarship applications CLOSE: 07 NOVEMBER 2016

How can we help our rangatahi, trainees and each other moving into 2017?

- Identify those within and outside our whārua in the building industry who can assist with work experience, training placements and post training apprenticeships;
- Identify our whānau who are interested in the trades and support them to seek the necessary training pathways;
- Encourage Tūhoe based delivery if it is available to us;
- Encourage the wellbeing of each other in all that we do, learn and share;
- Encourage the use of our own resources (with care) to support the growth and knowledge of our people;
- Be part of and take part in the conversations that affect us as whānau, hapū and a whārua.
